Even the Sophs were there at our first annual Sophomore Day. Displays were set up to entice the newcomers into joining the various organizations on campus. Sophs were taken on tours of the campus. Songies and Cheeries brightened up the scene with their colorful songs and cheers. Was the Judge there? Yes...the Sign Carriers welcomed him while our Panther Band played his song "Here Comes the Judge."

Baaaaa. Marcia Engle and Her? ... Display from Future Farmers of America.

See Alice fly!

Faithfully on Friday mornings the Band, Sign Carriers, and Pep Squad, have led our school in pep rallies to raise school spirit for the games those nights. Skits have been a big part of the rallies. Remember "The Twelve Days of School" and "Tiptoe through the Tulips"? With the school cheering, the Cheerleaders would lead and the Songies and Sign Carriers would perform while our Panther Band played. Then the coaches would come out and announce the "Most Valuable Player" awards for the previous week's game.

*Homecoming brings assemblies,  
class rivalries, and fun.*

Remember the assemblies we had when candidates were introduced and you decided whom to vote for? Then, Sam and Samantha reigned as King and Queen of our Carnival while the jesters tried to please their every whim. And what about Certs...we never really did find out what they are? Juniors won in the mighty struggle between classes which included a toilet paper race, balloon carry (on a spoon), peanut roll with noses, and clothes pin drop into a milk bottle. Lastly, recall the sexy Songies (pictured below) as they performed their routine.

## **Colorful Costumes, Panther Band, Alumni, and More . . . Make 1968 Homecoming**

RIGHT: Sign Carriers performing Homecoming night.

LEFT: Baton Twirler Judy Gunderson rehearsing before halftime.

Mardi Gras Maidens (alias the Sign Carriers) in flowing robes and crowned with gay flowers presented true Carnival form Friday night during the halftime show of our Homecoming football game. Candidates paraded around the track and then were escorted by the Cross-country team to the center of the field while our Proud Panther Band played music to watch parades by. A blast of trumpets... and Pam Hull was announced as Homecoming Queen. She was escorted to the platform by Drum Major Bill Thomas. The Dragon, the Showboat, and the Mardi Gras Royalty floated around the track with their respective classes accompanying them. After the game, there was a reception of CHS alumni in the Star Room where they renewed old friendships.

## *Carnival Capers at . . .*

At 9:00 p.m. Her Majesty, Pam Hull, was crowned--to officially start her reign as the 1968 Homecoming Queen. She and her escort Eddie Vaughn led the first dance as the Dirty Blues Band performed. The dance, along with the football game the night before, marked the climax of the week of Carnival Homecoming activities.

*The Night  
Before  
Christmas*

It was "The Night Before Christmas" and all through the Star Room, the couples were dancing to the strains of the "Soul a Phonie" Orchestra from the Kaleidoscope (Colton). Egg Nog punch and cookies were served with care in hopes that more couples soon would be there. Above the green and red cocktail tables lights flashed in the air to fill the full room with Holiday Fare. The bright Christmas tree was made to bloom with bulbs and lights and streamers fair, in the middle of the room.

Sold to the highest bidder!

Patiently waiting future slaves.

During Spirit Week a score of slaves were sold to cruel Lettermen who mastered over them all day Friday. Trash cans were "Painted?" The Pantherettes took first in this event. The Volkswagen stuffing contest ended with GAA and the Band both stuffing 18 people for first place. Many of the members of each club were crushed to pint size. Slobs were all you could see on our fair campus Wednesday since it was officially named "Slob Day". Other activities during the week were the Chug-a-Lug Contest, the Shoe Race, and the Spirit Assembly. The basketball game on Friday night against Norco, (we won!) and the dance following, along with the Car Rally sponsored by the Choir, rounded out the week of spirit and fun.

Stuff it in!

The whole school  
turned out to  
make this the

ever!

A mummy with a beard??? No, just a fine example  
of the handiwork of the TP champs--the Band--as  
demonstrated during our Spirit Week Assembly.

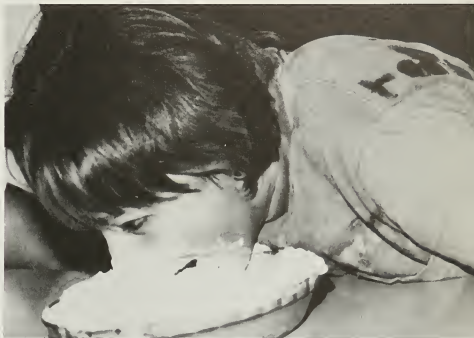

Guess Who??

Here's pie in your face!

They didn't tell me it was Shaving Cream!

At our annual Spirit Week Assembly, the Corona Choir defeated the Panther Band in a wild basketball game, then went on to lose to the mighty Lettermen's Club. Ernie Cervantes gobbled his way to first place for the Spanish Club in the Pie eating Contest. Then, Magdaleno Muro smashed Coach Wilkerson in the face with a cream pie. Why? We'll never know. After the Three-legged race boys representing each club strutted around in the gym each competing for the coveted Best Leg Awards. Rick Cleveland received the prize for the Sexiest legs, Rich Luginbill for the Most Athletic legs, and Dino Justo for the Hairiest legs.

At the annual International Banquet, after dinner, the Spanish Club, accompanied by Mr. Parker on his guitar, entertained with songs in Español. Miss Evan's French Club also produced entertainment of the same sort. The German Club put on some of their famous skits. Aside from the entertainment, there was plenty of food to keep people busy.

Mrs. Antrobus, played by Suzanne Gerson, having her make-up applied by Mrs. Tindall.

This year's theatrical production was Thornton Wilder's "The Skin of Our Teeth". It was presented to the students and public on March 20, 21 & 22. Directed by Mr. R. W. Tindall, this play was colored by amusing dialogue, sparkling costumes and professional looking sets. Miss Viera and Mrs. Tindall worked on the fine make-up, and costumes were provided by the many students that participated. Tim Hutsler and Mrs. Tindal worked on sets.

Princess Becky Veach and her escort Clayne Higley during the Grand March.

"La Primavera" was the theme for our annual Hi-Jinx Ball. It was held at the Star room here on campus. At 8:00 Alice Beckmann was announced as Hi-Jinx Queen for 1969. Mr. Knapp forgot the crown in his car, so only after it was fetched could Alice be crowned by last year's Queen, Janice Jameson. After being crowned, Alice and her court led the Grand March to the music of The Ballistics. Comprised of deserving Senior girls from CHS the Court was Ellen McWilliams, Becky Veach, Wanda Johnson, Kathy Hennebelle, Barbara Glicksir, Molly Jones, Susan Valentine, and Sylvia Lopez.

## *Life members of Scholarship Society honored with gold stole at graduation.*

Students who have worked hard in their studies are rewarded with Scholarship Society membership. This year the Scholarship Society has been very active. During Spirit Week they participated in many activities. One of these was the T.P. Contest in which they wrapped their sponsor, Mrs. Wynne, up in toilet paper.

We are proud that so many students are members of the Scholarship Society (more than are pictured).

Odair Justo

Odair Justo, or "Dino" as he has been nicknamed, is our own foreign exchange student for the '68-'69 school year. Dino comes from Santos Sao Paulo, Brazil and is staying with the Von Sothen family. The change of countries, though, has not effected him too much, as can be seen by his active participation in school projects. He enjoys surfing, skiing, swimming and playing various instruments, as well as being a member of the track team. During Spirit Week his activities were especially enjoyed by the entire student body --- he won the prize for the "Hairiest Legs". This is one student Corona Senior High will never forget!

Distinguished by their red jumpers and Panther emblems, the Pantherettes are devoted to service in our school. They are the girls you see collecting money and selling programs at the football games, and selling refreshments at the basketball games.

Among other things, they sponsored the Big-Little Sister Tea early in September. During Homecoming Week, they were Victorious in their tug-of-war with the Lettermen. Then during Spirit Week, these ambitious girls were sold as slaves to "mean masters".

Hard work, day after day, leaving the school just before dark, and weary and confused minds, partially describe some of our lives this past year. Busily we worked, using masses of copy, pictures and layout forms. But our job hasn't been such an unhappy one. For when the end of the year comes along, our labors are rewarded with this book, Coronal '69.

We would like to give special thanks to several, who have given us a great deal of help. First of all we want to thank Mr. Briggs, the Daily Independent, Jim Coffman and the KO-HI-NUR. Next we would like to thank Mr. Baughman for our cover design, and last but not least, Mr. Newell, our advisor, for his patience.

Whose going to message my

gone. In spite of all the  
criticism the past year I think  
I have always thought you  
were a fantastic U.P. with  
a personality to match. We'll  
hard next year in Utah  
come back & see us.

First of all I must say that  
there is definitely no hard feelings about  
Fiona. You're a great guy and you  
deserve a great girl & Fiona is a great  
girl so take of her. I will always  
think of you as a friend and a great  
person.

See you!
